

Plant an

OVERDOSE AID KIT

LIFE-SAVING CHANCE TO START ANEW

SHN, in partnership with Serve You Rx, is working to save lives lost to opioid overdoses by placing Overdose Aid Kits (O.A.K.s) in Wisconsin communities and we need your help!

Each O.A.K. contains Narcan nasal spray to reverse the effects of overdose and plants the roots for recovery by providing contact information for recovery support.

O.A.K.s, previously known as Nalox-Zone boxes, have been installed in more than 25 Wisconsin locations so far. Please help us branch out to save more lives!

<https://www.stopheroinnow.org>

Make a donation today toward planting an O.A.K. or purchase a kit in honor or memory of a loved one

Donors who contribute \$370 or more can choose the Wisconsin location of where their O.A.K. is planted.

THANK YOU FOR YOUR SUPPORT!
